WHO WE ARE

Strata Community Association (Qld) (SCAQ) is the peak industry body for body corporate and community title management in Queensland. Established in 1984 and rebranded as SCAQ in 2002, we have grown from a volunteer-run association into a leading professional organisation. Today, we proudly represent more than 1,200 individuals and businesses, delivering strong advocacy, legislative guidance, and comprehensive career development in one of Australia's most dynamic sectors.

OUR PURPOSE

Through law reform, education, and training, our mission is to promote the strata industry and enhance the quality of strata community living across Queensland.

OUR REACH & IMPACT

From strata managers and committee members to lot owners and service providers, SCAQ connects all who live, work, and engage in Queensland's vibrant strata communities. This sector is a major economic driver, contributing over \$120 billion annually and supporting more than 62,000 direct and indirect jobs statewide.
